Date: 18/7/2025

It's a great pleasure as Bunts College of Higher Education – Night College got NSS (National Service Scheme) on 8/7/2025 from the University of Mumbai. 100 students are approved for the NSS training. Dr. H. G. Pradhan is appointed as a NSS Program Officer. He visited twice in the NSS Department at Churchgate for the meeting.

We conducted Tree Plantation activity as a first event under NSS Department on 18/7/2025. We were very lucky as our respected Secretary, Mr. Shridhar K. Shetty and the respected Treasurer, C.A. Vishwanath Shetty were also present for the NSS inauguration.

The management committee members planted the Trees on this auspicious occasion. The management blessed all the students and wished all the best in coming days.
