REPORT ON TEACHERS' DAY CELEBRATION

Date : 15th Sept, 2019

**“Instead of celebrating my birthday separately, it would be my proud privilege if September 5 is observed as Teacher’s Day”**

Dr. S. Radhakrishnan

**Teachers day** is celebrated in India in order to mark the birth anniversary of Dr. Sarvapalli Radhakrishnan who was a staunch believer of education and was a well-known diplomat, philosopher, scholar, President of India and above all a Teacher.

Due to holiday on 5th September, we have celebrated Teachers day on 13th Sept, 2019. All the students, staff members and the teachers were enthusiastic and excited for the celebration right from the beginning of the day. This time we have organized the program in the newly constructed hall adjacent to 4th floor. The program began at 6:00 pm. All the students welcomed the teachers and the Principal with holding Teachers day greetings in their hands

Later, all teachers and students gathered and came forward for the cake cutting ceremony. This was followed by a few words of Principal. The Principal passes the message to the students that there is need of Sanskars (cultural) along with good education. Young generation is losing love toward humanity and the beautiful environment. There is need to improve our behaviour and self discipline to maintain the nation and the world. The Principal encouraged the students for their better future.

Mast Shahwaz of TY BMS also highlighted the importance of teacher. A teacher plays great role in the student's lives. Teachers are the real shapers of future of the students which can never be ignored. Teachers make their own lesson plan to make education more effective and interesting as well as facilitate students learning.

All the teaching and non-teaching Staff were given gift as a token of love and respect by all the students. Students also organized some interesting entertainment game for the teachers.

Mast. Arshan delivered vote of thanks. The event ended on the happy note where all the students were given cake. The students took great effort and ensured that teachers enjoy every minute.

The efforts of students were appreciated by teachers thus making the event a grand success.
