#### Subject: Approval for conducting Career Guidance session on Stock Market by NSE.

Respected Sir,

This is for your reference that the below schedule is planned for conducting Career Guidance session on Stock Market by NSE for all SY & TY (BCOM, BAF & BMS) Students on 31st August, 2018 at 7:30pm in block no 204.

#### Objective:

The primary objective of the NSE Career Guidance for College Students program is to provide students with a deeper understanding of the stock market, investment strategies, and the various career opportunities within the financial industry. The program will enable participants to make informed decisions about their career path and equip them with the knowledge and skills required to excel in this field.

Target Audience:

The program is designed for college students majoring in finance, economics, or related fields who are interested in pursuing a career in the stock market and financial services.

#### **Expected Outcomes:**

By the end of the program, participants should have:

- A solid understanding of stock market fundamentals.
- Practical experience with trading platforms.
- Insights into different career paths within the financial sector.
- Improved networking and job-seeking skills.

The NSE Career Guidance for College Students program aligns perfectly with NSE's commitment to fostering financial literacy and nurturing future talent in the financial industry. We believe that this program will not only benefit the students but also contribute to NSE's reputation as a responsible and forward-thinking institution. We kindly request a meeting at your earliest convenience to discuss this proposal in detail and explore ways in which we can collaborate to bring this program to fruition.

Thank you for considering our proposal. We look forward to the opportunity to work together 8 Kemberni

in preparing the next generation of financial professionals.

## REPORT ON NSE CAREER GUIDANCE FOR COLLEGE STUDENTS

The report provides an overview and evaluation of the National Stock Exchange's (NSE) Career Guidance program for college students interested in pursuing a career in the stock market. The program, designed to enhance students' knowledge of the financial industry, investment strategies, and career opportunities, was carried out over a period of three months during the last semester

#### Program Overview:

The NSE Career Guidance for College Students program aimed to equip students with a comprehensive understanding of the stock market and the associated career prospects. The program comprised various components, including educational seminars, practical workshops, guest lectures, mentorship, career guidance sessions, and a stock market simulation. These components were designed to provide students with both theoretical knowledge and practical skills, helping them make informed career choices.

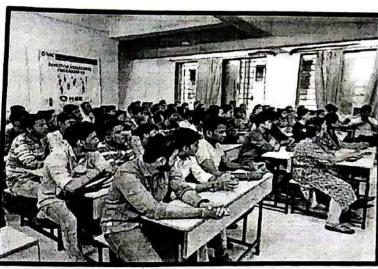

#### Achievements and Outcomes:

The program produced several significant outcomes:

- 1. Enhanced Knowledge: Participants demonstrated a notable increase in their understanding of stock market concepts, investment strategies, and risk management.
- 2. Practical Experience: The hands-on workshops and the stock market simulation allowed students to gain practical experience in trading and financial analysis.
- 3. Industry Insights: Guest lectures from experienced professionals provided valuable insights into the financial sector and the various career paths available.
- 4. Mentorship: Students who participated in the mentorship programs reported significant personal and professional growth, with intereved networking and communication skills.

5. <u>Certification:</u> Participants received certificates of completion, enhancing their credentials and improving their prospects in the job market.

#### onclusion:

ntributions to the education and career readiness of college students interested the stock market. The insights gained, practical experience acquired, and tworking opportunities provided through this program have laid a solid andation for the students' future careers in the financial industry.

express our gratitude to NSE for its support and look forward to continuing expanding this valuable initiative to benefit more students in the future.

#### REPORT ON CAREER COUNSELING SESSION WITH FLYING ACADEMY

This report outlines the career counseling session conducted with Flying Academy for college students. The objective of this session was to provide valuable insights into the aviation industry and to assist students in making informed career choices. The session was held on 03-11-18 at block no 301.

The aviation industry is a dynamic and exciting field that offers a multitude of career opportunities. With this in mind, our organization partnered with Flying Academy to conduct a career counseling session for college students interested in pursuing careers in aviation. The session aimed to help students gain a comprehensive understanding of the aviation sector, identify potential career paths, and offer guidance on the educational and training requirements.

The session commenced with an introduction by Ms. DeepikaDuggal, emphasizing the importance of career counseling and the role of Flying Academy in shaping future aviation professionals. A representative from Flying Academy provided an overview of their organization, including the programs they offer, facilities, and industry partnerships. This introduction served to familiarize students with the academy and its reputation.

An expert from the aviation industry discussed current trends, market demands, and various career opportunities available within aviation, including pilot training, air traffic control, aircraft maintenance, and aviation management. A senior instructor from Flying Academy discussed the educational prerequisites and training pathways for each career within aviation, providing clarity on the specific qualifications and certifications needed for success.

A financial advisor presented on the costs associated with aviation education, including tuition fees, living expenses, and available scholarships, grants, or loans to ease the financial burden. In small group discussions, students had the opportunity to interact with industry professionals and Flying Academy staff to seek personalized advice based on their career goals, interests, and academic background. The session concluded with an open Q&A session, where students posed their questions to the panel of experts, who provided insightful answers and recommendations.

The career counseling session with Flying Academy for college students was a resounding success. It provided students with an insightful perspective on the aviation industry, its various career paths, and the steps required to achieve their goals. The session not only encouraged students to consider careers in aviation but also helped them make material provided choices about their future. Our organization looks forward to conducting the successful in the future and remains committed to empowering students in their partial of successful Navi Mumbai

Dear Sir/ Madam,

## Sub: The Flying Academy Proposal To Conduct Career Counseling Session

We take this opportunity to introduce ourselves as India's most trusted airline academy- "The Flying Academy".

We request your permission to conduct a career counseling session for the college students and guide them to take their career forward in the field of aviation, hospitality, travel and tourism and customer service.

The seminar would give insights to the individuals to take initiative and gain advantage of the skills and training offered at The Flying Academy. This seminar would additionally prove the students that by earning a degree, one could ground a better foundation for job security.

We are willing to work around the times at your esteemed college to ensure the availability of the auditorium / classroom for conducting the seminar.

We seek in anticipation the response in affirmative.

Yours sincerely

Subject: Proposal for Career Opportunities in the Travel & Hospitality Industry.

Dear Sir,

I am writing to propose a significant initiative that holds immense potential to benefit our college students and contribute to their career development. It is my pleasure to suggest a collaboration between Bunts College of higher education (Night College) and the National Skill Development Corporation (NSDC) to introduce a comprehensive program focused on the Travel & Hospitality Industry, for all SY & TY (BCOM, BAF & BMS) Students on 02<sup>st</sup> Nov, 2019 at 7:30pm in block no 204

The Travel and Hospitality Industry is one of the fastest-growing sectors globally, offering numerous employment opportunities and career pathways. With the increasing demand for skilled professionals in this industry, it is essential that our students are equipped with the necessary knowledge and skills to excel in this field. Through this collaboration with NSDC, we aim to provide our students with a tailored and industry-relevant education that will prepare them for success in the Travel & Hospitality sector.

- Skill Development Workshops: We plan to conduct a series of workshops and training sessions led by industry experts and facilitated by NSDC-accredited trainers. These workshops will cover essential topics such as customer service, event management, hotel and resort management, travel planning, and more.
- Career Counseling: We will organize career counseling sessions to help students understand the various job roles within the Travel & Hospitality Industry and guide them in making informed career choices.

To ensure the success of this initiative, we are seeking your support and endorsement for the collaboration with NSDC. We believe that this program will not only benefit our students but also enhance the reputation of College as a forward-thinking institution that is committed to the holistic development of its students.

We kindly request a meeting to discuss the implementation details and to seek your valuable insights and suggestions on this proposed collaboration. Your approval and support are pivotal to making this initiative a reality, and we look forward to working closely with you to achieve this goal.

#### REPORT ON BFSI TRAINING WITH PLACEMENT ASSISTANCE TO COLLEGE STUDENTS

The BFSI (Banking, Financial Services, and Insurance) sector plays a pivotal role in the economic growth and stability of any nation. It is a sector that demands a skilled and knowledgeable workforce, yet many college students find it challenging to break into the industry due to the lack of practical exposure and training opportunities. In response to this need, we initiated a BFSI training program for college students, with a special focus on providing placement assistance. This report outlines the program's objectives, methodology, outcomes, and future recommendations.

The BFSI Training with Placement Assistance program was launched to bridge the gap between academic learning and industry requirements. The program aimed to equip college students with the necessary skills, knowledge, and networking opportunities to secure employment in the BFSI sector.

#### The key objectives of the program were:

- To provide comprehensive training in BFSI concepts and practices.
- To enhance students' soft skills, including communication, teamwork, and problem-solving.
- To facilitate networking with industry professionals.
- To assist students in securing internships and job placements.

Based on the program's success, here are some recommendations for its future:

- Expanding the program to reach a larger number of college students and institutions.
- Incorporating the latest industry trends and technologies into the curriculum.
- Offering specialized tracks in banking, financial analysis, insurance, and more to cater to diverse interests.
- Collaborating with more BFSI companies to increase placement opportunities.
- Providing ongoing career counseling and support for program alumni.

The BFSI Training with Placement Assistance program has been instrumental in enhancing college students' employability in the BFSI sector. It has equipped them with the necessary knowledge, skills, and industry exposure to succeed in this competitive field. This program exemplifies the positive impact that education and industry collaboration can have on students' futures and the growth of the BFSI sector.

#### Subject: Proposal for Career Guidance Program on BFSI (Banking & Financial Services Dear Sir, Training

We propose to implement a comprehensive Career Guidance Program on BFSI (Banking, Financial Services, and Insurance) for college students. The program aims to equip students with the knowledge, skills, and resources necessary to make informed career choices in the dynamic BFSI sector. The program will consist of workshops, seminars, industry interactions, and skill development activities, enabling students to explore and prepare for a successful career in BFSI.

#### Program Objectives

Jege of Higher E

- 1. To provide college students with insights into the BFSI industry, including its various sectors, roles, and opportunities.
- 2. To offer practical knowledge and skills relevant to BFSI, such as financial literacy, risk management, and customer service.
- 3. To facilitate interaction with BFSI professionals and organizations through networking events and company visits.
- 4. To assist students in building effective resumes, interview skills, and professional profiles tailored to BFSI careers.
- 5. To foster an understanding of ethical and regulatory aspects within the BFSI sector.

The college will benefit from enhanced reputation, stronger industry connections, and increased enrollment in BFSI-related courses. Students will gain invaluable insights and skills that make them more competitive in the job market, potentially leading to increased employment rates and better job placements.

The Career Guidance Program on BFSI is designed to empower college students with the knowledge and skills they need to excel in the BFSI sector. We believe that by implementing this program, we can contribute to the success of students and the growth of the BFSI industry. We look forward to your positive response and the opportunity to discuss this proposal further. Thank you for considering our request.

## Subject: Approval for conducting a career opportunities in Law (ACIL)

I am writing to propose an event that will greatly benefit our degree college students and align with our college's mission of providing comprehensive education and career development opportunities. The event I am referring to is "Career Opportunities in Law (ACIL)," a program that aims to enlighten our students about the myriad possibilities that a career in the legal field offers, for all TY (BCOM, BAF & BMS) Students on 07th Feb, 2020 at 6:30pm in block no 204

In today's dynamic world, the legal profession is an area of significant growth and diverse opportunities. Many of our students may be considering careers in law, yet they may lack a clear understanding of the various branches within the field, the educational pathways, and the potential career prospects. ACIL seeks to address these gaps by providing comprehensive information, guidance, and insights into the legal profession.

The primary objective of the "Career Opportunities in Law (ACIL)" program is to provide our degree college students with a detailed understanding of the legal profession, various career paths within it, and the educational requirements to pursue those paths.

- Expose students to the different areas of law such as criminal, civil, corporate, family,
- Introduce them to the diverse roles within the legal sector, including lawyers, judges, legal consultants, and legal educators.
- Clarify the educational pathways, including undergraduate law programs, postgraduate law programs, and relevant entrance examinations.
- Share information about scholarships, internships, and networking opportunities in the
- Provide students with insights into the skills and attributes necessary for success in the legal profession.
- Foster a deep sense of enthusiasm and motivation among students to pursue a career in law.

## REPORT ON A CAREER OPPORTUNITIES IN LAW (ACIL)

This report highlights the proceedings and outcomes of the Career Opportunities in Law (ACIL) event conducted for degree college students. ACIL was organized to provide college students with insights into the diverse career avenues in the field of law and guide them through the steps necessary for a successful career in this domain. The event included a series of informative sessions, workshops, and interactions with legal professionals.

The Career Opportunities in Law (ACIL) event was conducted on 07<sup>th</sup> Feb, 2020 at Block no 204. The primary objective was to offer students an in-depth understanding of career options in the field of law, share valuable insights, and connect them with experienced legal professionals.

#### > Event Highlights:

- 1. Legal Career Paths: A session outlining various career options in law, including corporate law, criminal law, family law, intellectual property law, and more.
- 2. Academics and Research: Discussions about pursuing higher education in law, research opportunities, and the path to becoming a legal academic.
- 3. Skills and Competencies: Workshops on essential skills and competencies required for a successful legal career, including communication, research, and critical thinking.
- 4. Ethical and Professional Standards: Exploring the importance of ethics and professionalism in the legal field.

The Career Opportunities in Law (ACIL) event proved to be a significant step in guiding degree college students toward a successful legal career. It offered valuable insights, knowledge, and connections that will undoubtedly benefit students as they pursue their paths in the legal field. By implementing the recommendations for future events, we can continue to empower students to make informed decisions about their careers in law.

## SUBJECT: PERMISSION FOR CONDUCTING A SESSION

Dear Sir/Ma'am,

1

We request your permission for conducting a career guidance session on A Career in Law (ACIL) for the students of your esteemed institution. In a 60 minute interactive session, we offer an overview of what students need to know before they decide to embark on legal education and career. It will cover a range of topics from how to enter a law college, different subjects and their relation to the practice of law to future of the legal profession in the 21st century.

We at Desai Foundation for Change, a Mumbai based Charitable organisation, aim to bring positive change to the society through a variety of interventions in health and education. Through our Programme for Legal Education and Awareness (PLEA) we conduct various activities connected to the field of law.

So far we have conducted more than 70 sessions on A Career In Law in over 40 schools/colleges and covered over 4000 students. Law is an important and popular sector and affects everyday life of all citizens. There is so much variety, much beyond being a judge or an advocate, that anyone interested can make a successful career in the field of law. The session comprehensively covers, with interesting examples, different areas within the legal profession as well as systematic information on law entrance exams and how to prepare for them.

We look forward to hearing from you and conduct a session at the earliest.

# REPORT ON NATIONAL SEMINAR ON "HOW TO INVEST IN STOCKS & DEPOSITORY SERVICES?"

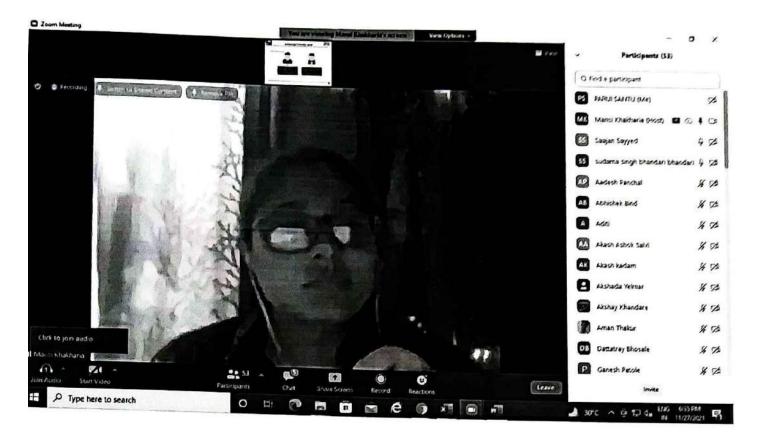

29th November, 2021

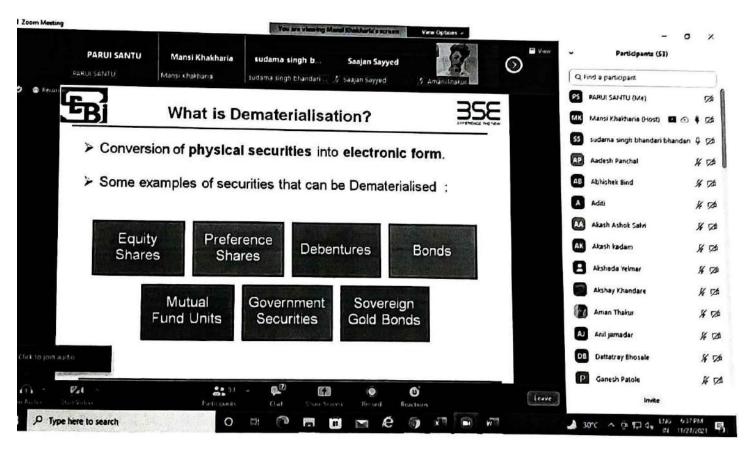

A One-day National Seminar was organized by Blue Online Services focusing on, the occasion of World Investor Week extremely diverse and the challenges and financial issues faced while investing. Mr Tanuj Poddar, CEO of the organization has found very crucial and multifaceted financial status in the present scenario. The speaker of the seminar Mansi Khakharia explains the issues such as access, equity, inclusion, quality of research, privatization and financing etc. are integrally related with the society. On the other hand, basic problems such as inadequate infrastructural facilities, less number of investment, low enrolment rate, outdated investment policies are been understood.

Prof. Yogita Patil anchored the whole event with enthusiastic words. Dr. S. S. Bhandari, Principal of our College encouraged all the participants with the flame of wise words. Seminar begin with the words from Mansi Khakharia, she explained the different investment techniques to invest in Mutual Funds. Besides, some other leading challenges such as continuous upgrading of curriculum, financial globalization, investment freedom growth of private institutions, scarcity of fund to meet the demand of various investors etc. has large impact in our market. Therefore, an attempt was made in this Seminar to arrive at a reasonable solution of the issues and challenges of Financial Freedom for an individual in our society.

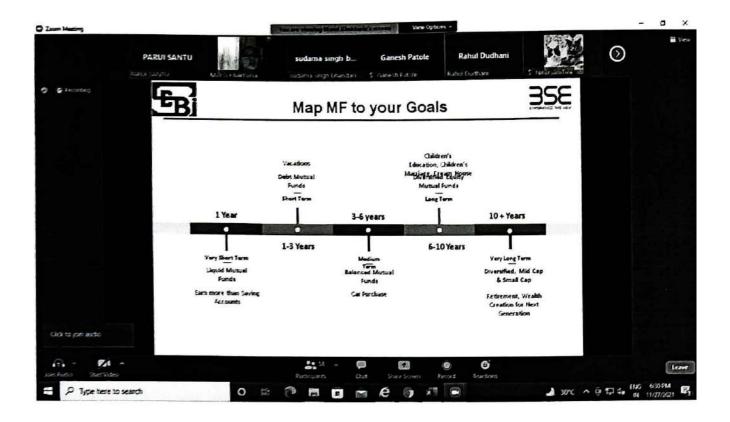

Prof. Jyotsna Ware blasted with the question answer theme were participants started with the enquiry their investment portfolio statement. Some students also participated with the flames of question in the seminar. After a long talk vote of thanks was drawn by Prof. Jyotsna Ware with all the enthused participants with different states and cities.

# Subject: Proposal for Career Guidance Online Program on BFSI (Banking, Financial Services, and Insurance)

Dear Sir,

We propose to implement a comprehensive Career Guidance Program on BFSI (Banking, Financial Services, and Insurance) for college students. The program aims to equip students with the knowledge, skills, and resources necessary to make informed career choices in the dynamic BFSI sector. The program will consist of workshops, seminars, industry interactions, and skill development activities, enabling students to explore and prepare for a successful career in BFSI.

# Program Objectives

- 1. To provide college students with insights into the BFSI industry, including its various
- 2. To offer practical knowledge and skills relevant to BFSI, such as financial literacy, risk management, and customer service.
- 3. To facilitate interaction with BFSI professionals and organizations through
- 4. To assist students in building effective resumes, interview skills, and professional
- To foster an understanding of ethical and regulatory aspects within the BFSI sector.

The college will benefit from enhanced reputation, stronger industry connections, and increased enrollment in BFSI-related courses. Students will gain invaluable insights and skills that make them more competitive in the job market, potentially leading to increased employment rates and better job placements.

The Career Guidance Program on BFSI is designed to empower college students with the knowledge and skills they need to excel in the BFSI sector. We believe that by implementing this program, we can contribute to the success of students and the growth of the BFSI industry. We look forward to your positive response and the opportunity to discuss this proposal further. Thank you for considering our request.

Dear Sir.

We are pleased to submit this proposal for a Scholarship Awareness & Career Guidance Program aimed at college students in our community. This program is designed to address the them with an area challenges faced by students pursuing higher education and to provide

The cost of college education has risen significantly over the years, often leaving students and their families burdened with hefty loans. Furthermore, students often lack the guidance necessary to make informed decisions about their career paths. Our Scholarship Awareness & Career Guidance Program seeks to alleviate these concerns by offering valuable resources

# Program Objectives: Our program has the following primary objectives:

- 1. Scholarship Awareness: To raise awareness about the various scholarships available, their eligibility criteria, and application processes.
- 2. Career Guidance: To provide comprehensive career counseling and guidance to students to enable them to make well-informed career decisions.
- 3. Financial Empowerment: To empower students to take control of their financial futures, reducing the burden of student loan debt.
- 4. Networking: To facilitate networking opportunities by connecting students with experienced professionals and alumni in a variety of fields.

#### Conclusion:

The Scholarship Awareness & Career Guidance Program holds great promise in positively impacting the lives of college students in our community by assisting them in accessing scholarships and making informed career choices. We kindly request your support in making this initiative a reality. glanden'

#### Subject: Proposal for Conducting Career Guidance Online Session on Financial Freedom

Dear Sir,

I am writing to propose a career guidance session on "Financial Freedom" to be conducted in collaboration with Blue Online Services. Financial freedom is a fundamental goal for individuals and families, and equipping them with the knowledge and tools to achieve this is of paramount importance in today's world.

#### Program Overview:

- Session Title: Achieving Financial Freedom: A Roadmap to Success
- > Objective: The primary objective of this career guidance session is to empower individuals with the knowledge and strategies required to attain financial freedom. It will provide participants with insights into managing their finances, making informed investment decisions, and creating a sustainable financial future.
- > Financial Literacy: An introductory session on the basics of personal finance, budgeting, and understanding financial concepts such as savings, investments, and debt management.
- > Debt Management: Providing insights into managing and reducing debt, including strategies for paying off loans efficiently.

Benefits: Participants will gain several benefits from this session:

- 1. Improved financial literacy and money management skills.
- 2. Insights into various investment strategies and debt management.A clear roadmap towards achieving financial freedom.
- 3. The ability to make informed decisions about savings, investments, and retirement planning.Increased confidence in managing their financial future.

#### Conclusion:

The career guidance session on "Financial Freedom" aligns with the mission to empower individuals with the skills and knowledge they need to succeed in life. We are eager to collaborate with Blue Online Services to make this session a reality. We kindly request a meeting at your earliest convenience to discuss the program in more detail and explore opportunities for partnership.

Thank you for considering our proposal. We look forward to working together to empower

individuals in our community to achieve financial freedom.

## REPORT ON NATIONAL SEMINAR ON FINANCIAL **FREEDOM**

14th August, 2021

A One day National Seminar on "Financial Freedom" was organized by Blue Online Services focusing on, extremely diverse and the challenges and financial issues faced by an Individual. Mr Tanuj Poddar, CEO of the organization has found very crucial and multifaceted financial status in the present scenario. The speaker of the seminar Ayushi Gandhi explains the issues such as access, equity, inclusion, quality of research, privatization and financing etc. are integrally related with the society. On the other hand, basic problems such as inadequate infrastructural facilities, less number of investment, low enrolment rate, outdated investment policies are been understood.

Prof. Yogita Patil anchored the whole event with enthusiastic words. Dr. S. S. Bhandari, Principal of our College encouraged all the participants with the flame of wise words. Seminar begin with the words from Ayushi Gandhi, She explained the different investment techniques to invest in Mutual Funds. Besides, some other leading challenges such as continuous upgrading of curriculum, financial globalization, investment freedom growth of private institutions, scarcity of fund to meet the demand of various investors etc. has large impact in our market. Therefore, an attempt was made in this Seminar to arrive at a reasonable solution of the issues and challenges of Financial Freedom for an individual in our society.

Prof. Datta Bhosale blasted with the question answer theme were participants started with the enquiry their investment portfolio statement. Some students also participated with the flames of question in the seminar. After a long talk vote of thanks was drawn by Prof. Jyotsna Ware with all the enthused participants with different states and cities.

Subject: Approval for conducting Career opportunities in Airlines & Aviation Industry Sector.

Dear Sir,

I am writing to propose an exciting and valuable opportunity for our college students a seminar on "Career Opportunities in the Airlines & Aviation Industry Sector." The aviation sector is not only one of the most dynamic industries worldwide but also a significant contributor to the national economy. Offering our students insights into this field can open up a plethora of career possibilities, and we believe it aligns perfectly with our commitment to holistic education and career readiness.

Objective:

The primary objective of this seminar is to provide our college students with a comprehensive understanding of the Airlines & Aviation industry, its various facets, and the wide array of career paths it offers. Through this initiative, we aim to equip our students with the knowledge and resources necessary to make informed career choices in this high-growth industry.

#### Industry Overview:

- 1. Introduction to the Airlines & Aviation industry.
- Key players, trends, and global significance.
- Economic contributions and growth prospects.

## Career Opportunities:

- 1. Diverse career options within the sector, including pilot, cabin crew, ground operations, maintenance, management, and more.
- 2. Qualifications and skills required for various roles.
- 3. Prospects for career advancement and growth.

## **Educational Pathways:**

- Discussion on relevant academic programs and certifications.
- 2. Insights on scholarship opportunities and financial aid.
- 3. The role of internships and experiential learning.

# REPORT ON EXPLORING CAREER OPPORTUNITIES IN THE AIRLINES & AVIATION INDUSTRY

The Airlines and Aviation industry sector is an exciting and dynamic field that offers a wide range of career opportunities for college students. This report aims to provide an overview of the career prospects within this industry, the skills and qualifications required, and the future trends that college students should consider when pursuing a career in the Airlines and Aviation sector.

#### Career Opportunities

- <u>Pilot</u>: Becoming a pilot is one of the most prestigious and sought-after careers in the
  aviation industry. It requires rigorous training and licensing but offers the chance to
  operate and navigate aircraft, from commercial airlines to cargo planes. Pilots can
  choose to specialize in various types of aircraft and roles, such as airline pilots, cargo
  pilots, or private jet pilots.
- Flight Attendant: Flight attendants are responsible for ensuring the safety and comfort of passengers during a flight. This role is open to individuals with varying educational backgrounds, and it offers excellent opportunities to travel and interact with people from diverse backgrounds.
- Aircraft Maintenance Technician: These professionals are crucial for the safety of the aviation industry. They inspect, repair, and maintain aircraft to ensure they are in optimal working condition. A college degree in aviation maintenance or a relevant certificate is usually required.
- Air Traffic Controller: Air traffic controllers play a vital role in guiding aircraft safely in the airspace. They need to complete specialized training and gain certification. This career offers job security, competitive salaries, and the opportunity to work in control towers or radar facilities.
- <u>Aerospace Engineer:</u> Aerospace engineers design, develop, and maintain aircraft and spacecraft. They work on cutting-edge technologies and often require a bachelor's or master's degree in aerospace engineering or a related field.
- <u>Aircraft Dispatchers:</u> Aircraft dispatchers are responsible for planning flight routes, fuel requirements, and ensuring the overall safety and efficiency of flights. They often work closely with pilots and air traffic controllers.

 Airline Management and Operations: The aviation industry also offers a wide range of management and operations roles in areas such as airline marketing, customer service, human resources, finance, and airport management.

#### Conclusion

The Airlines and Aviation industry sector offers a diverse range of career opportunities for college students. Whether you're interested in flying, engineering, management, or technology, there is a place for you in this dynamic and evolving industry. Staying current with industry trends and acquiring the necessary skills and qualifications will be essential to a successful career in this sector. The future of aviation is promising, with exciting developments on the horizon, making it an attractive field for aspiring professionals.

To The Principal Bunts College Principal Dr. s. S. Bhandari Sir/ Madam,

> Sub Seminar & Presentation on Career Opportunities in Airlines & Aviation Industry Sector.

Many thanks for your courtesy this morning when I visited your college. We deeply value your co-operation and understanding of the need for such efforts to give a sense of direction and knowledge of the field open to students after securing necessary qualifications.

It is now common knowledge that apart from a University degree, specialized qualification is a must in the specific field. Students may learn and treat it a vocation - not a mere job - an opportunity for a dedicated career.

One such field is the Airline Industry and the Aviation Sector. This will enable them to stand on firm ground when it comes to competition in terms of knowledge, physical & mental fitness, self-confidence and personality development.

We at FLYHIGH have various training programmes' such as:

- Air Hostesses
- Flight Pursers
- **Ground Staff**
- Reservation, Ticketing & Ground Hostesses (I.A.T.A U.F.T.A.A)
- Airport Terminal Management
- Personality Development

For our students of the age group from 16 years onwards.

We at FLYHIGH AVIATION ACADEMY consider it a mission to impart all these qualities so that they would be grateful to us all through life. This is our reward more than the little money involved. Imparting knowledge and expertise to the young generation by itself is a joy. It is gratifying to note that you share our views and extend higher Education support & co-operation, which inspires us to strive our utmost, I would therefore facilitate the Seminar on 7:30pm Timing 25/07/23 Looking forward to meeting you soon and with warm regards, Cordially yours,

CATHERINE JOSEPH.
